Mr. Klaus-Peter Lörcher  
President, Rotary Club of Bietigheim-Vaihingen

Dear Club President Lörcher:

On behalf of your club, the Rotary Club of Bietigheim-Vaihingen, as well on behalf of the presidents of the Rotary Clubs of Hochschwarzwald and Waldshut-Säckingsen, you submitted to RI President Ray Klinginsmith a memorandum for the attention of the RI Board of Directors, dated 22 September 2010.

I want to thank you for this memorandum and inform you that the RI Board discussed it at its November meeting.

In addition to their thanking the three clubs for their interest in land mine relief, the RI Board of Directors decided to express its appreciation for the efforts of those clubs that support land mine relief efforts and the global ban of anti-personnel land mines.

Sincerely,

A handwritten signature in black ink that reads "Ed Futa".
